The background features a watercolor illustration of a plant. In the upper center, there are several large, overlapping green leaves with soft, blended edges. A thin, light brown stem extends downwards from the leaves. In the bottom left corner, there is a pink flower with multiple layers of petals, some showing a gradient from light pink to a darker magenta. The center of the flower is a mix of yellow and orange. The entire scene is set against a white background with scattered, small, colorful splatters in shades of green, yellow, and orange.
