

Dear Friends,

Would you like to visit Tampere and discover why Finnish education is so successful? What about (re)connecting with professionals and experts from all over the world? Do you want to try speed networking in an academic context, learn about the future of education, and create amazing networks? If yes, **Eye on TAMK 2023** is just for you!

We are thrilled to invite you at our truly international **Eye on TAMK 2023** week in Tampere, Finland during 20.-24.3.2023. The theme of the week is **(Re)connecting Professional Networks**.

This time, Eye on TAMK will be bigger than ever and will include two tracks: the **Teaching/Education track** (including non-teaching staff) and the **Educational Leadership track**. We welcome you to propose a session to either one of the tracks.

Join the versatile programme

During the week, you will get connected with people who share the same interests as you. Two seminar days with remarkable keynote speakers will focus on **the future of education**. Education leaders, decision-makers, teachers, and experts come together in a versatile and rich programme for a unique opportunity to share and create together.

You can also visit TAMK's unique learning environments. The exciting social and cultural programme will give you a taste of the Finnish way of life.

Let's think outside the box and create sustainable, active and cross-border networks!

Participation fee and registration

Teaching/Education track (including non-teaching staff): 170€ (VAT included)

Educational Leadership track: 270€ (VAT included). [TAMK students and staff participate free of charge.](#)

The fee includes:

- The full professional programme
- Lunch (Monday to Thursday)
- Networking events, including speed networking for professional purposes
- Social and cultural programme (Monday to Thursday)

The Educational Leadership track fee also includes:

- Educational Leadership discussions
- Visits to educational institutions of different levels in Tampere region

The fee does not cover travel, insurance, or accommodation costs.

The participants will be billed prior to the actual event.

We suggest you come under the framework of ERASMUS+ teaching (STA) or non-teaching (STT) mobility.

For further information, contact us at eyeontamk@tuni.fi and visit the Eye on TAMK 2023 website.

Come and see what makes Finland the happiest country in the world!

Register as presenter by 30 November 2022 and as participant by 31 January 2023.

On behalf of TAMK,

The organizing committee of Eye on TAMK 2023
